Winter Session

Registration for our Winter Session is now Open! Our 12 week Winter session starts November 30th and runs until March 5th (no classes December 21st-January 1st). We recommend that you register your child through the parent portal on our website. It is quick, easy and COVID safe!

Winter Spotlight Shows

Your children have been working so hard and are doing great. We know that with the new order limiting viewing in our facility, it has not been easy to miss the everyday progress your child has been making. Gymnastics and Ninja Spotlight Shows are going to happen and will give the students an opportunity to show off what they have learned. The Spotlight Shows may look different this year than in the past, but they will happen. More information to come, but SAVE THE DATE for February 27, 2021!

Open Gyms/Toddler Time

We are planning to start Open Gyms in the Waupaca location and Toddler Time in both locations beginning in December. We will continue to monitor the current pandemic situation as we move forward with the planning. Keep an eye out for details and new policies to the open gyms. An e-mail will be sent out as the details are finalized.
