

CONGRATULATIONS to the cast of *You're A Good Man Charlie Brown!*

We are so excited for this production. What a talented group of performers we have! The casting process is always a difficult one, but the casting panel is confident that we have selected the performers for each role which will best benefit the production as a whole. No matter what role you received, you should all be extremely proud of your audition. (We certainly are!) We also want to emphasize how important and vital to the show each and every cast member is. No matter what role a student is cast in we know that they are going to have a great time in this production and grow tremendously both as performers and people.

We have chosen to allow students to split some of the lead roles so more students get the opportunity to shine. Please Note: The specific scenes and songs each cast member will do will be determined during the rehearsal process.

Our production staff has the tough job of casting a production with so many talented kids. Now it's your turn to do your part. Please help us maintain a spirit of teamwork, encouragement, and humility. Perhaps you didn't get the role you wanted. You now have a choice. Choose to sport a positive attitude. Perhaps you got the role you wanted. You also have a choice. Choose to be humble. Everyone, please remember that words can be harmful and hurtful, a negative attitude is contagious, and gossip creates division. We take into account how you choose to handle disappointment when casting future shows. We value character here and who you are as a person. Often, the most growth happens when we don't get what we want.
