January 19th

**\*\*Toddler Time\*\*  
Mondays 9-10 am**

### Welcome back!!

We hope everyone had a fun, safe time over the holidays spent with friends and family! Classes resume January 7th and we have some SUPER fun events coming up in the new year... So make sure to stay tuned!!

### Winter Weather

With Wisconsin weather being unpredictable at times, always use your own judgement coming to class. Classes will be held on a regular basis unless school is cancelled. Because we have several school districts in our program, we will close according to the closest school district. Our Waupaca location will follow the Waupaca school district weather closings, and Our Plover location will follow Stevens Point school districts weather closings. If the weather turns hazardous after school gets out, make sure to check our website, Facebook page, or answering machine.

### Snowflake Contest Winner

It was a tough choice... But we have picked our winners! Our snowflake contest winner at our Plover location is Arianna, and at our Waupaca location is Mataligh. Thank you to all who participated and turned in your snowflakes to decorate the gyms!

### Gymast Spotlight Show

Our Rec, Team and Preschool programs are putting on their first ever Spotlight show! The Preschool Spotlight Show will be on March 2nd, and our Rec and Team Spotlight Show will be April 13th. The deadline to register for these events is quickly approaching. Spots are limited so stop by the front desk and sign your child up today. Students from both Plover and Waupaca locations are welcome to participate, but the performance will be held at Carousel's Waupaca location. We hope to have a great turn out so invite your family and friends to watch as your children show off what they have learned.
