

## New Class Prices for 2017

Dear Members:

We are now taking enrollments for 2017 Gymnastics classes. Due to the rising costs associated with the sport, South Coast Gymnastics Academy will be increasing fees for gymnastics classes in 2017. As a thank you to all of our existing SCGA members, we will be offering a once off, Early Bird rate. If you are to pay your fees in full by Friday the 23rd of December (SCGA's last opened day for 2016) then you will only pay 2016 class prices (excluding registration costs).

After this date our new prices will be in effect. All members who wish to enrol in to next years classes MUST do so before MONDAY the 30th of January to confirm their position, otherwise their class position will be made available to other members/ new members enrolling in to classes. You can enrol in to a class by visiting one of our staff members at the office, over the phone on 42275722 or by enrolling online through our website [www.scga.com.au](http://www.scga.com.au)
